

Greek City Assignment

Create a Greek City based on what you learned in class

- Include a map of the city with:
 - acropolis
 - agora
 - houses
 - food production & storage

- Include a drawing of your city's architecture (a sample of your temple, for example) – make it look Greek

- Write a description that includes:
 - Explain why your city chose its deity.
 - What day-to-day activities take place in your city?
 - entertainment, education, policing, eating establishments, etc.
